

## Christmas Trees

We run a wholesale and retail Christmas tree business Tree For Christmas, supplying trees to businesses all over the south east and providing large display trees of up to 40ft to such clients as Ikea and Westminster Cathedral.

We operate a number of retail outlets including some W M Morrisson and Tesco stores. We also operate a very popular schools service whereby we supply wholesale trees to schools for them to sell on to parents to make money for school funds.

Last year over 70 schools took part. Full details are on the TFC website, just follow the link below. We have wide experience of growing, harvesting and retailing trees and can offer advice, contract services or work in partnership with you if you have your own trees to sell. We are also interested in new retail sites or taking over an existing retail franchise.

You can see more details, availability and prices on our own Trees For Christmas Website at – [www.treesforchristmas.co.uk](http://www.treesforchristmas.co.uk)
